Item 1.01. Entry into a Material Definitive Agreement.

On June 17, 2020, Brickell Biotech, Inc. (the “Company”) entered into an underwriting agreement with Oppenheimer & Co. Inc., as representative of the several underwriters named in Schedule I thereto (the “Representative”), relating to the public offering, issuance and sale of 14,790,133 shares of its common stock, and, to certain investors, pre-funded warrants to purchase 2,709,867 shares of its common stock, and accompanying common warrants to purchase up to an aggregate of 17,500,000 shares of its common stock (the “Offering”). Each share of common stock and pre-funded warrant to purchase one share of common stock is being sold together with a common warrant to purchase one share of common stock. The public offering price of each share of common stock and accompanying common warrant is \$1.15 and \$1.149 for each pre-funded warrant and accompanying common warrant. The pre-funded warrants will be immediately exercisable at a price of \$0.001 per share of common stock. The common warrants will be immediately exercisable at a price of \$1.25 per share of common stock and will expire five years from the date of issuance. The shares of common stock and pre-funded warrants, and the accompanying common warrants, will be issued separately and will be immediately separable upon issuance. The Offering is expected to close on or about June 22, 2020, subject to the satisfaction or waiver of customary closing conditions.

The gross proceeds to the Company, before deducting underwriting discounts and commissions and other offering expenses, are expected to be approximately \$20.1 million. The Company anticipates using the net proceeds from the Offering for research and development, including clinical trials, working capital and general corporate purposes.

The common stock, pre-funded warrants and common warrants are being offered by the Company pursuant to a Registration Statement on Form S-1, as amended, filed on May 15, 2020 with the Securities and Exchange Commission (the “Commission”) under the Securities Act of 1933, as amended (the “Act”) (File No. 333-238298) and declared effective, and an additional registration statement filed with the Commission on June 17, 2020 pursuant to Rule 462(b) under the Act.

The Underwriting Agreement also contains representations, warranties, indemnification and other provisions customary for transactions of this nature. Pursuant to the Underwriting Agreement, the Company and its directors and officers agreed, for a period of 90 days, subject to certain exceptions, not to offer, sell, pledge or otherwise dispose of the common stock and other of the Company’s securities that they beneficially own, including securities that are convertible into shares of common stock and securities that are exchangeable or exercisable for shares of common stock, without the prior written consent of the Representative. Notwithstanding the foregoing, the “lock-up” with respect to the Company’s sale of shares of its common stock to Lincoln Park Capital Fund, LLC (“Lincoln Park”) pursuant to the Purchase Agreement, dated February 17, 2020, between the Company and Lincoln Park, will be limited to a period of 45 days following the date of the Underwriting Agreement.
