On October 20, 2023, Fresh Tracks Therapeutics, Inc. (the “Company”) commenced distributing proxy materials to its stockholders, including a Notice of Special Meeting of Stockholders and Definitive Proxy Statement (the “Notice and Proxy Statement”), for its special meeting of stockholders to be held on November 16, 2023 (the “Special Meeting”). A copy of the Notice and Proxy Statement was filed with the Securities and Exchange Commission on October 20, 2023.

On November 13, 2023, the Company will begin sending letters to certain of the Company’s stockholders reminding them to vote at the Special Meeting and requesting that they register an account with Equiniti Trust Company, LLC, the Company’s transfer agent (the “Letter to Registered Stockholders”). A copy of the Letter to Registered Stockholders is below.

Dear registered stockholder of Fresh Tracks Therapeutics, Inc.:

Thank you!

We appreciate your support of Fresh Tracks (fka Brickell Biotech) in our efforts to transform patient lives through development of innovative and ground-breaking prescription therapeutics. Unfortunately, after conducting an extensive, months-long process to explore and evaluate potential strategic alternatives to maximize stockholder value, as previously announced in our [press release](#) on September 19, 2023, and further described in detail in our most recent definitive [proxy statement](#), our Board unanimously concluded that liquidating and dissolving Fresh Tracks and distributing all remaining cash was in the best interests of the company and our stockholders.

Please vote your proxy!

In connection with our dissolution plan, you should receive by mail and/or email our proxy materials with instructions on how to vote your company shares for the upcoming special meeting of stockholders on November 16.

If you do not receive proxy materials or if you have questions or need assistance with voting, please promptly contact D.F. King at (800) 769-4414 or (914) 218-4628 for international, or by email at FRTX@dfking.com. Our Board of Directors strongly encourages you to vote “FOR” Proposal 1 in the definitive proxy statement, which approves the liquidation and dissolution of Fresh Tracks.
